REPLY TO NOTIFICATION OF MISSING REQUIREMENTS
UNDER 35 USC 371

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Notification of Missing Requirements, the Office indicates that the translation is defective because the number of the drawings in the translation are not the same as the number of drawings in the original foreign application.

In response to the Notification, Applicant's contacted Ms. Burt who explained that the number of drawing "sheets" in the International application are compared with the number of the "sheets" submitted in the National Stage application. However, in this case, the identical drawing figures were submitted in the translation as in the original foreign application. The difference in the number of sheets was caused by Figs. 2 and 3 being presented on one sheet. Thus, the identical figures were presented in the translation of the application.

Accordingly, the Office is requested to withdraw the requirement for a corrected translation and surcharge, and issue a notice indicating that the requirements for acceptance under 35 U.S.C. § 371 were completed upon the filing of the present application.

Respectfully submitted,

Mitsuyoshi KUMATA et al.
